Chairman's Message

Dr. Ram Kishore Agarwal

Late Shri Ganeshi Lalji Bajaj was a freedom fighter, a philanthropist and a social worker. He is revered for his benevolence and penchant for hard work and social restructuring. As a young man, he was greatly influenced by the freedom struggle and the plight of the poor people. He realized that the solution to the problems, which could not be achieved without proper education. Shri Ganeshi Lalji Bajaj often stated that, "It is only education that can move this nation forward. Education will empower common people to think and act clearly, to differentiate between right and wrong and to appreciate the finer points and purpose of life". We at R K Group, own our existence to the zeal of our founding father and we emulate him in building institutions. The life of Shri Ganeshi Lalji Bajaj continues to inspire us. We are committed to the goals set by him. Education is our primary focus and we will continue to build and promote Educational Institute.

Vice Chairman's Message

Mr. Pankaj Agarwal

We at GLBIMR emphasize on building business leaders of tomorrow. In the era of competition, mounting expectations from the corporate world and the dynamism of market forces, the skills and abilities of students need to be multi-thronged and time tested. Our endeavour is to strike a balance between education we impart and expectation of corporate world . here at GLBIMR student's perspective of life and career is molded and nurtured to enable them independently to manage the challanges of this modern world

Let it be my privilege to welcome the young minds to GLBIMR.

Director's Message

Dr. Sapna Rakesh

Since its inception in the year 2007, GL Bajaj Institute of Management and Research has been facilitating and promoting Management Education & Research with the prime objective of preparing world class business managers, entrepreneurs and leaders for today and tomorrow.

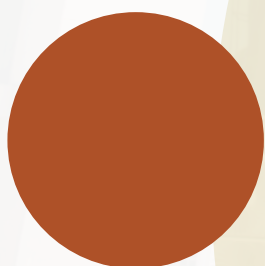

GLBIMR not only emphasize on quality education but also believe in inculcating values and skills for the holistic development of our students to become a responsible citizen of the nation.

We provide an excellent learning experience to our students through our industry oriented curriculum and pedagogy. We groom, nourish and nurture our students to address emerging global business and social challenges.

GLBIMR strive to give professional education a new perspective and achieve perfection in all spheres. This aim cannot be achieved without

the support and guidance of all stakeholders of GLBIMR. My endeavor is to make GLBIMR the best B-School through students who are determined to excel, strong alumni network working at various top position in business organization, a team of competent and dedicated faculty, a meticulously designed curriculum and an optimum infrastructure.

We are continuously being recognized for our efforts of delivering academic excellence by various organization and agencies. Recently GLBIMR has been recognized amongst "The 10 most admired PG institutes in India, 2019" by The Knowledge Review Magazine.

Head CRC's Message

Ms. Ritu Tandon

Having served as Placement Head I feel immense pleasure in introducing our Institute.

GL Bajaj Institute of Management and Research, Greater Noida was established in 2007 under the umbrella of GL Bajaj Group of Institutions. GLBIMR embarked on the journey to promote higher education in NCR. In record time of 16 years, GLBIMR has demonstrated meteoric growth and has carved a distinct niche for itself in the field of management education. Central to realizing our vision is to see our students Confident, Self-reliant and Pleasantly Employable.

The Placement cell at the GL Bajaj Institute of Management and Research comprising students and faculty mentors, work on this aspect. For the sixteen years running, the Institute has very healthy placements.

We are happy to report that GLBIMR continues to grow every year and strives for excellence,

innovation, imagination, and creativity. Apart from being exposed to industries, our students also discover leadership qualities and boost their self-confidence through hands-on challenges. In the past year, we saw immense growth in placement, all because of our team's collective efforts under the guidance of our Hon'ble Director Ma'am.

The Training and Placement Cell members have consistently worked hard, and we have received an overwhelming response from recruiters across the nation. We are confident that our students' enthusiasm, hard work, and determination here at GLBIMR will lead to a smooth selection process with the various companies GLBIMR tends to place its students at, thereby increasing placements to unimaginable heights. As an institution, we hope to give great working individuals to society. Ultimately, we wish all our lovely students the best and hope all flourish as shining stars in their respective fields.

Institute Infrastructure

Classrooms

Air-conditioned classrooms and tutorial rooms provide a healthy environment for effective interaction between teachers and students. Modern teaching aids are used for conducting the lectures. The latest audio video technology enables faculty members to have interactive sessions of teaching, which makes the students confident and enthusiastic.

Library and Information Service

The Library has a collection of about 6100 carefully selected volumes, including text and reference books in various functional areas of management. The Institute subscribes to about 54 Indian and foreign journals, magazines and newspapers. There is a large collection of annual reports of national and international organizations. The library is supported by e-journal facilities. In addition, the Institute has a number of video CDs on business games, case studies, management decisions, etc. Book Bank facility is also available for the students on a trimester basis.

Auditorium, Seminar Hall and Conference Hall

The Institute has a state-of-art, fully as conditioned auditorium with a seating - opacity of 250 people, a seminar hall with a seating capacity of 150 people Id a conference hall with a seating capacity of 75 people. All of these are Nell equipped with the latest acoustics technology and sound system. The auditorium is an excellent work of modern architecture.

Hostel

The well designed hostel forms an integral part of the academic and social life at GLBIMR. The hostel enables students to optimally utilize campus resources such as the library and computing facilities. The Institute has separate boys and girls hostels. The boys hostel is within the campus. The girls hostel is at a distance of 3 kms. Transport facility is available for hostelites. Airy and well-ventilated rooms in the hostels are double-bedded with TV, gym, newspapers, mess, stationery store and facility to wash and iron clothes. 24x7 power back-up and 24-hour water facilities are provided in the hostels. Dedicated wardens and round-the clock security in each of the hostels are available to look after the well being of the hostelites. Book shop, Internet stations, STD/ISD booths, multi-activity play grounds and buses connecting the city are also available.

Language Lab: The lab attempts to inculcate the practical skills of communication which include discussion sessions, presentations, mock meetings, mock interviews with the developing of all round personality particularly the qualities of leadership, team building, based attitude and confidence among the scholars.

Cafeteria: The Institute has a clean and spacious canteen that caters to the students and faculty members. The canteen is properly equipped. Breakfast and lunch are served at the canteen at a reasonable rate. Regular checks by faculty and the medical officer are made at the canteen to ensure proper hygiene.

Medical: GLBIMR provides free first aid to the students in the college campus during working hours. A medical officer is available during college hours. Qualified physicians are on the college rolls and are available in close proximity for consultancy. Hospital facilities are available within reach and transportation is ensured round the clock.

Water and Electricity: GLBIMR has in-house arrangements round the clock to deliver uninterrupted water and electricity supply to the students. Sufficient water coolers with filtered RO water are available throughout the campus. High power generators are installed to provide 100% power back-up in case of power failures. Cleanliness is given the utmost importance. All rest rooms are of a very high standard.

Health Check-up Camp: Health is wealth. An annual health check-up camp is organized in the campus to examine the health of all students. At this camp, students are made aware of health related issues, which enable students to pursue a healthy life.

Other Facilities:

- Transport Bus facility at a nominal fee is provided to the students which covers almost the entire Delhi-NCR region.
- Stationery and Reprography Centre A multi-utility store provides for all students' needs including printing and photocopying facility. STD/PCO is available within the campus. Most student needs can be fulfilled at this store.

GLBIMR

Corporate Resource Centre

The CRC at GLBIMR looks after the employment possibilities of the students in business, trade and service organizations. It is a round the year activity and not just confined to summer training projects and job placement. The centre maintains a strong data base of potential recruiters, maintains continuous liaison with them and assesses trends in their requirement, which help CRC prepare the prospective managers on those lines. The CRC organizes workshops, guest lectures and seminars to enhance both technical and soft skills among students. It encourages students to work on live projects, which helps them to relate to classroom teachings with industrial practices. In order to have a better understanding of the organization culture/industrial process, the CRC also organizes industrial visits for its students at regular intervals. The Corporate Resource Center, therefore, grooms students holistically right through soft skills, presentation skills and

interview skills to successful attainment of lucrative job offers.

As a result of the above, more than 90 percent of the last batch PGDM students has been placed in reputed companies in the salary package of between Rs 3.5 to 12.40 lakhs per annum. The reputation which GLBIMR has gained owes itself to strong industry networking and excellent placement records. GLBIMR has been in the forefront in its placement over the last few years. Latest industry moguls to visit the campus for the Mega Recruitment Drive were TCS and Infosys. In a week- long TCS drive, which is one of the biggest in the last two years in India, around 6000 students of 250 colleges from all over India participated and many of them cracked all the stages successfully. GL Bajaj stood ahead of others and placed the maximum number of its students during the drive. The second recent recruiter was Infosys. Around 27 colleges were participants and here too, G.L. Bajaj topped the list with 18 selected students.

Some of the companies where the students have brushed up their corporate skills are:

Summer Training

On completion of the first year of PGDM programme, students gain hands-on experience in the application of core concepts and functional skills. This practice of 'Learning by Doing' helps the students to relate to the rigours of theory in the world of business. Students work on projects as per the specifications of the company. At the end of 8-10 weeks of closely guided projects under the supervision of the company executive, each student submits a report to the company and to the Institute. The concerned company executive normally provides feedback to the Programme Director on the students' performance. Summer Training is an essential.

Institute – Industry Interface

With our ever-increasing attempts of giving maximum exposure of the industry, the latest market trends and guidance to our students from time to time, GLBIMR has found its niche in the academic world.

Referring to the growing trends of industry-institute interactions we have always strived to build up relationships with industries. Specialized programs are being organized periodically on various topics and the faculty gets trained on advanced topics by experts. Such programs

bridge the technical gap that students normally would encounter between academia and the industry.

As part of our industry-institute interaction, our college was invited by Infosys, Chandigarh in their Campus Connect-Spark program. Selected students from all the branches were accompanied by their faculty on this tour to Infosys. Some of our senior faculty include members of industrial associations like CII, CSI, IEEMA and ISMS.

Personality Development

GLBIMR has evolved a philosophy of education, which emphasizes holistic development of its students and an education system that looks beyond employment and concentrates on individual development by imparting to the students the skills of life-time relevance and developing them as well adjusted human beings.

GLBIMR organizes workshops, seminars and lectures that focus on developing the overall personality of the students and making them

capable of appreciating the importance of co curricular activities.

Training programmes (workshops) involve areas like:

- Interpersonal Skills and Team Building, Effective
- Communication, Stress Management, Innovation/Creative
- Problem Solving and Building Self Confidence.

Face the Future with Confidence

Shivam Jaiswal

"Success is not built overnight; it is shaped by the experiences, guidance, and opportunities we receive along the way."

My journey at GLBIMR has been truly transformational. The institute provided me with the right blend of academic learning, practical exposure, and personal growth that helped me build confidence and broaden my perspective.

The constant support from faculty members and the motivating environment encouraged me to step out of my comfort zone and continuously improve myself.

I will always be grateful to GLBIMR for being an important milestone in my journey and for giving me memories and learnings that I will cherish forever.

Prachita Pandey

I would like to express my heartfelt gratitude to the faculty and placement team of G L Bajaj institute of Management and Research for grooming us over the past 2 years.

The skills, exposure, and confidence I gained here have been instrumental in shaping my career. These two years gave me invaluable knowledge, practical exposure, and the right mindset to grow both personally and professionally. The learnings helped me transform from problem-oriented to solution-oriented, and built the confidence I carry with me every day.

Thank you for shaping us into better individuals ready to take on future challenges and for believing in us and preparing us for the real challenges ahead.

Aishwarya Rai

GL Bajaj institute of management and research always believes in finding the spark in the students and it also helped them to achieve the heights of their dreams. With its excellent academic curriculum to professional exposures, students here can find ample number of opportunities to walk on the path they think of and that happened with me as well, I am very grateful to placement department of GLBIMR for effectively and sincerely helping me to grab first-ever opportunity with Infoedge. Having first job as your dream job and starting your career with the brand is truly a blessing.

Gl bimir helped me in building my confidence and it also helped me in achieving my dream, the things that I have learnt here will be invaluable to my future career.

A big thanks to GLBIMR and the Placement Team (CRC).

Kushagra Gupta

The PGDM program at GL Bajaj Institute of Management & Research was well-designed, providing a comprehensive understanding of different fields. As an alumnus of the program, I can confidently say that my experience at the institute was truly transformative and has laid a strong foundation for my career. The faculty members provided quality education and guidance, and the emphasis on experiential learning enabled students to engage in real-world projects, case studies, and internships. The institute's placement assistance was also commendable, with a wide range of reputed companies visiting the campus and offering lucrative job opportunities. The PGDM program at GL Bajaj Institute of Management & Research is an excellent choice for aspiring professionals looking to build a strong foundation in these domains. The program's comprehensive curriculum, experiential learning opportunities, dedicated faculty, industry exposure, and strong alumni network contribute to a holistic learning experience, making it an excellent choice for aspiring professionals.

Amanjeet Saini

Every day in my corporate life, reminds me the learnings gained from PGDM course. They taught me how to work under pressure. They changed my personality from problem oriented to solution oriented. And yes all learnings from GLBIMR. Makes me stand out.

Thanks to entire GLBIMR Faculty & Staff.
